

NEW! Minnoco Bulk Oil SAVINGS Program

MSSA and Waterford Oil Company are proud to announce the new Minnoco Bulk Oil Savings Program.

With our recent partnership, MSSA members will receive **SUBSTANTIAL COST SAVINGS** with continued quality products from Waterford Oil.

Minnoco is now offering a full line of premium lubricants for both automotive and heavy duty vehicles. Minnoco full synthetic and synthetic blend passenger car motor oils are formulated with an advanced additive package and premium base oils for maintaining and prolonging the life of engines in gasoline-fueled and flex-fueled vehicles. They are licensed to meet or exceed API SN-RC (Resource Conserving) and ILSAC GF-5 quality standards.

Minnoco Heavy Duty motor oils are available in both full synthetic and synthetic blend and meet or exceed API CJ-4/SN quality standards.

The premium Minnoco product line also includes full synthetic multi-vehicle and Dex/Merc transmission fluids for a variety of transmission applications.

The following quality Minnoco products are now available.
